Good Practices for P6 Assessment

Please remind your child to practice these habits for work tasks assigned in school and at home:

1. If Optical Answer Sheets (OAS) are provided, remember to shade answers with a 2B pencil on the OAS. Answers that are not transferred to OAS will not be considered. Do not make any unnecessary marks on the OAS.
2. Write answers legibly with a 0.5 mm blue or black ball-point pen. If a change of answers is needed, please cross them out and re-write the answers.
3. Do not use correction fluid or tape or highlight any part of the answers.

These good practices are in line with the SEAB guidelines for national assessments. Please refer to the PSLE Examination Rules and Regulations Booklet for more information.
