14 January 2026

Dear Parents/Guardians,

## **Primary 1 Term 1 Level Matters**

On behalf of all Primary 1 teachers, I would like to warmly welcome you and your child to the 2026 academic year. We look forward to getting to know your child better and supporting them through the year.

### **Primary 1 Class Form Teachers**

The form teachers of the Primary 1 classes are as listed in the table below. Our teachers can be contacted via email if you have any queries about your child or school-related matters.

Class	Form Teachers	Email Address
1 Attentiveness	Mr Siew Wai Kong Ms Fatimatus Sakinah	siew_wai_kong@moe.edu.sg fatimatus_sakinah_muhammad_faris@moe.edu.sg
1 Boldness	Mrs Gladys Tan Mrs Julia Wan	lim_shuen_hwhee_gladys@moe.edu.sg julia_wan@moe.edu.sg
1 Creativity	Ms Zheng Tianli Joyce Mr Shankar	zheng_tianli_joyce@moe.edu.sg ramakrishnan_gowrishankar@moe.edu.sg

1 Joyfulness	Ms Sim Hui Lin Cassandra Ms Crystal Lim Jia Hui	sim_hui_lin_cassandra@moe.edu.sg lim_jia_hui_crystal@moe.edu.sg

### **Physical Education, Art and Music (PAM)**

The Primary 1 Physical Education (PE) programme is designed to spark a love for movement and fitness by introducing students to fundamental skills through learning areas like Dance, Games, and Sports. Students will have the opportunity to explore gymnastics through PE and enrichment lessons during curriculum time. Safety and health are top priorities, with a focus on fostering good practices and empowering students to embrace an active and healthy lifestyle through the Physical Health and Safety component.

The Art Education programme aims to cultivate a passion for creativity by exposing students to various mediums, artists and artworks throughout the year. In Term 1, students will actively engage in art discussions to understand how unique aspects of a person can be portrayed in a portrait. They will observe and compare the non-conventional techniques used by two artists, Tan Jun Sheng's "My Confident Self" and Giuseppe Arcimboldo's "Vertumnus," to draw and assemble meaningful objects representing individuals in portraits.

In the realm of Music, students will learn to sing the national anthem and our school song. They will also appreciate music from Chinese culture, aligning with Chinese New Year Celebrations. Additionally, students will actively listen and describe sounds in their environment, move and play percussion instruments to the beat, and identify and perform loud and soft sounds.

### **Programme for Active Learning (PAL)**

Programme for Active Learning (PAL) was introduced by the Ministry of Education (MOE) in 2011 and will be conducted for all Primary 1 and Primary 2 students. PAL aims to facilitate the well-rounded development of students in the five learning domains (cognitive, moral, social, aesthetics and physical) and help students to develop social and emotional competencies. The modules are experiential in nature and incorporate learning in a creative, fun, and enjoyable way. The following modules will be offered to Primary 1 students during curriculum time:

<b>Semester 1</b>		<b>Semester 2</b>	
<b>Term 1</b>	<b>Term 2</b>	<b>Term 3</b>	<b>Term 4</b>
-	Performing Arts (PA) – Music	Sports & Games	Performing Arts (PA) – Drama

## **E-Learning**

The school will be using the Singapore Student Learning Space (SLS) platform to conduct e-learning. Students will be given a personal account to access online lesson packages and e-assignments by their subject teachers. The SLS account activation process for Primary 1 students will be carried out in school in Term 1.

## **Silent Reading**

Every morning, the students will report either to the school hall or directly to their respective class and read their storybooks silently. We strongly encourage our students to bring English or Mother Tongue storybooks from Monday to Friday.

## **Student Diary**

The student diary will be used as a means of communication between teachers and parents. Students should use the diary to take note of their daily homework and reminders from their teachers. We hope that you will check your child's student diary regularly.

## **Communication with Parents**

Announcements on school matters will be posted on our school's website at <https://henryparkpri.moe.edu.sg/>. Please visit the website regularly for updates.

**Term letters will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you receive information in a timely manner.**

In the event there are changes to your email address, please inform your child's form teachers as we need to update our emailing system. We look forward to fostering a strong partnership with you.

## **Mobile Phones and Smart Watches**

We recognise that some parents may need to contact their children after school. While students are allowed to bring mobile phones or smart watches to school, it is not encouraged as these items are valuable and may be easily misplaced or stolen.

Students who bring mobile phones or smart watches to school are to adhere to the following guidelines:

- Mobile phones or smart watches may only be used to contact parents/caregivers at designated areas (porch, plaza, area behind the canteen, and bus bay area).
- Mobile phones must be switched off during school hours. Smart watches must be set to **Do Not Disturb (DND)** or **Focus** mode to disable camera and calling functions during school hours.
- Students are not allowed to take photos, videos, or voice recordings within the school premises or on school buses at all times.
- The school may confiscate the mobile phone or smart watch as a disciplinary measure or for investigation should there be an infringement of privacy. Confiscated devices will be kept in the General Office for collection by parents/guardians.
- Students are responsible for the safekeeping of their devices. The school will not be held accountable for any loss or damage.

In cases of emergency, parents may contact the General Office (6466 3600). Students may also make calls home through the General Office if necessary.

## **Building Confidence through Back-to-School Routines**

Back-to-school transitions are smoother when children feel safe and prepared. Building consistent routines for sleep, meals, and homework, while encouraging kids to share their feelings and practice simple coping skills like deep breathing will help them in this transition. These small daily habits can strengthen confidence and emotional readiness for school. Read more about it [here](#).

Warmest regards,  
Ms Iris See  
Year Head, Primary 1 & Primary 2

### **VISION**

Lead with Character, Serve with Talents

### **MISSION**

Nurturing concerned citizens with integrity and a spirit of excellence through holistic education

### **SCHOOL VALUES**

Respect, Integrity, Care, Excellence
